January 18, 2018

U.S. Environmental Protection Agency Attn.: MR. ROBERT G. HEISS Office of Enforcement and Compliance Assurance Office of Federal Activities/International Compliance Assurance Division 1200 Pennsylvania, Avenue, N.W. (ROOM 6144) Washington, DC 20460

Dear Mr. Heiss,

Please find enclosed the 2017 Annual Report from Interstate Batteries Recycling, LLC for the export of scrap lead-acid batteries ("SLABS") to one secondary lead smelter in Ontario, Canada.

The name of the smelter changed during 2017 from Tonolli Canada Ltd to Revolution VSC Acquisition GP, Inc because the smelter was sold to a new owner during 2017. For that reason, the enclosed documents show that the name of the "Importer" changed from Tonolli Canada Ltd to Revolution VSC Acquisition GP, Inc.

At the smelter, the scrap batteries are broken down and then the lead and plastic are recycled.

Sincerely,

INTERSTATE BATTERIES RECYCLING,

LLC.

Dan Lane

Regulatory Compliance Manager
